Enclosed for each office is one copy of a Department of Justice memorandum dated 7-30-79, setting forth information to be searched, and for WFO one sealed enclosure classified "~~Secret~~".

Submit response to reach FBIHQ by COB 8-15-79.

Due to the volume of material involved, limited time available in which to reply, and complexity of this case, the results of an FBIHQ file review are not being provided.

The purpose of this request is to determine if the individual named in Departmental letter has ever been the subject of electronic surveillance of any kind, including wiretap, microphone, or consensual telephone and body recorders. In order to accurately fulfill this purpose, conduct a search of the elsur indices and general indices in name and known aliases of each subject, and review all indicated files. Also search the elsur indices for any telephone numbers or addresses provided in attached Departmental request.

If results are positive regarding non-Title III MISURS or TESURS, key answers to correspond with questions A through F of Criminal Division memorandum, 4-16-69, furnished field, 5-2-69.

If answers are positive regarding Title III MISURS or TESURS, key answers to following:

1. Was subject principal?
2. Did subject have proprietary interest in property subjected to surveillance? Provide nature of interest and address.
3. Identity of source or sources over which subject was monitored and date first overheard. Further, provide date of court order authorizing surveillance and date surveillance installed and discontinued.

If answers are positive regarding consensual monitoring of telephones or use of body recorder and/or transmitting device, key answers to following:

1. Name of individual granting consent.
2. Nature of technique used and location (give details, including address, telephone number, and type of investigation).
3. Authorizing official and date of authorization.
4. Date overheard (if numerous overhears indicate first and last dates overheard).

If response is positive, requesting attorney as detailed in Departmental request should be provided with full details. If requesting attorney is in another field office, that field office should be provided with the appropriate material for transmittal to the requesting attorney and FBIHQ so advised as to the date items are furnished, identity of person furnishing the items and an inventory of the items furnished. If information is classified, do not submit this material to requesting attorney but transmit logs and pertinent documents by airtel to FBIHQ, Elsur Index, forwarded in sealed brown envelope labeled, "Director, FBI, Elsur Index, FBIHQ."

Each response to an Elsur request shall include a statement that the field office elsur indices and the field office general indices have been searched in each name, address, and telephone number included in the request and all appropriate files reviewed. The name of each individual conducting a search and/or review should also be set forth in the response and identify each function conducted by each named employee. This is necessary since certain U. S. District Courts require affidavits detailing the searches and methods utilized in arriving at our response, as well as the name(s) of the employee(s) conducting the searches. Keep in mind when conducting searches that the response of the FBI is a certification that the FBI has responded accurately and in full to the court's request.
